*** Winter Series 2016-2017 ***

Winter Award Series: A \$20 sign up fee is required per horse/rider pair (not per class) and \$10 each additional horse **before** you will be eligible for series awards and have secured at least a \$25 sponsorship per rider. The more sponsors we get, the better the prizes we can award. Points follow each horse/rider combo. Horse substitutions may be granted in certain unavoidable circumstances with **advance approval from Joan or Laurie**. *This year there will be no set amount of shows that you must attend. Award sign-ups will be available October – January.* For classes with less than 10 entries signed up for awards, there will be top 2 awards. Classes with 10 - 15 entries will award a top 3 year end awards. Classes with more than 15 entries will be awarded a top 5 year end awards. Exhibitors will only place once in each class, with the division they place higher in being the one they will be awarded for that class. *Please note: Awards may not be the same for each class with less than 15 entries.*

Points: Points will be awarded at each show for each class as follows: 1st Place = 10 points down to 1 point for 10th place. Points will be accumulated to determine series winnings and placings. In the event of a tie for awards at series end the tie will be broken as follows: The rider who attended the most shows, or (should that not break the tie) the rider with the overall fastest average time in that class will be awarded the higher placing.

Beginner *Barrels & *Poles: Rider may not have won over \$100 lifetime. This is a true Beginner class. For Barrels, there will be a cut off time of 20 seconds and Poles, 28 seconds. Any time run faster than the cut off will be considered a “no time”. *In order to allow contestants the opportunity to improve over the winter series, this class will be run on a graduated scale, meaning the cut off times will decrease over the course of the series. The cut off times will decrease by 1 second every 2 shows for the first 6 shows, and ½ second for each additional show.*

Ex:

Cut off time	Barrels	Poles	Show	****Outside Barrels	Poles
20	28	1&2		24	30
