*** Winter Series 2023-2024 ***

Winter Award Series: A \$20 sign-up fee is required per horse/rider pair (not per class) and \$10 each additional horse **before** you will be eligible for series awards and have secured at least a \$25 sponsorship per rider due **the show after you sign up**. The more sponsors we get, the better the prizes we can award. Points follow each horse/rider combo. Horse substitutions may be granted in certain unavoidable circumstances with **advance approval from Joan or Laurie**. There is no set amount of shows you must attend. *Award sign-ups is available at any show, but only count from the time you sign up.* To accommodate for better prizes, we will be awarding for the top 3 only unless class has 20+ entries that are signed up for points.

Points: Points will be awarded at each show for each class as follows: 1st Place = 11 points down to 2 point for 10th place and each contestant will receive 1 point. No points for a no time. Points will be accumulated to determine series winnings and placings. In the event of a tie for awards at series end the tie will be broken as follows: The rider who attended the most shows, or (should that not break the tie) the rider with the overall fastest average time in that class will be awarded the higher placing.

Beginner *Barrels & *Poles: Rider may not have won over \$100 lifetime. This is a true Beginner class. For Barrels, there will be a cut off time of 20 seconds and Poles, 28 seconds. Any time run faster than the cut off will be considered a “no time”. *In order to allow contestants the opportunity to improve over the winter series, this class will be run on a graduated scale, meaning the cut off times will decrease over the course of the series. The cut off times will decrease by 1 second every 2 shows. Outside pen will have same size pattern. Those led through will receive a 5 second penalty.*

Ex:

Cut off time	Barrels	Poles	Show
20	28	1&2	
19	27	3&4	
18	26	5&6	
17	25	7&8	

****Novice Horse** – Horse may not have won more than \$250.00 lifetime earnings

****Novice Rider** – Rider may not have won more than \$250.00 lifetime earnings.

Winning's criteria are based on money won as of the day of the first show. You are responsible to know your previous winnings. Please be honest and consider ALL winnings, no matter how small or where they were won.

Contestants must be present at awards ceremony to receive any random drawing. Reservations are required to attend. Also, if you have won a series award and are not present, awards will be held for two weeks for pick-up. After that they will no longer be available.

If you have any questions about these conditions, please call or email for clarification.

Check back often for awards details!
